

♦GATLING♦GUN♦

GATLING GUN stands for modern hard rock with powerful sounds, remarkable hook lines and slightly progressive influences that will show the recognition value of the band.

For twenty years in existence and seventeen years in that line up, this in Berlin located band delivers compact song arrangements and infectious live performances you will keep in your mind.

With the readiness to follow "new paths" the new album „Friendly Fire“ will give you an impressive evidence of their development in thirteen tracks who'll convince you, too !
